

Sports funding and spending IMPACT 2022/23

Funding

School will receive £16,000 + £10 per head = **£17,270** (for years 1- 6)

- 7/12 paid in October = £10,074
- 5/12 paid in April = £7,196

Funding is for years 1 to 6 and there are 5 key indicators that the school should expect to see improvement across.

1. The **engagement of ALL children in regular physical activity**. The chief medical officer guidelines recommend that all children and young people aged 5-18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The **profile of PE and Sport is raised across the school as a tool for whole school improvement**.
3. **Increased confidence, knowledge and skills of all staff in teaching PE and sport**.
4. **Broader experience of a range of sports and activities offered to all pupils**.
5. **Increased participation in competitive sport**.
